2025 EPR Final Review / FAQs for Manager (2/3)

3. CAN THE EMPLOYEE SEE THE RATINGS OF INDIVIDUAL GOALS AND BEHAVIORS?

The person **will be able to see** the evaluations and comments of the goals and behaviors.

4. IF THE PERSON'S RATING HAS CHANGED, CAN I UPDATE THE INDIVIDUAL RATINGS AND COMMENTS OF THE GOALS AND BEHAVIOURS IN LINE WITH THE FINAL RATING?

Yes, it is possible to **change the individual evaluations and comments** of both goals and behaviours so that it is consistent with the final evaluation.

The **person will only see the final rating**.

The screenshot displays the EPR system interface for a Manager's evaluation. It is divided into two main columns: 'Manager' and 'Employee'.
In the 'Manager' column, there is a 'Rating' dropdown set to 'Meets High Expectations' and a 'Comment' text area containing the text 'Il contributo di Mario è stato rilevante e in ogni occasione significativo.' Below this is a 'Manager Summary' section with a 'Calculated Rating' of 'Meets High Expectations' and a 'Comment' dropdown set to 'Normal'.
In the 'Employee' column, there is a 'Rating' dropdown set to 'Exceeds Expectations' and an 'Employee Summary' section with a 'Calculated Rating' of 'Exceeds Expectations' and a 'Comment' text area labeled 'Employee Comments'.
At the bottom of the interface are four buttons: 'Back', 'Next', 'Save', and 'Close'.

5. WHAT SHOULD I DO IF THE SYSTEM GIVES ME AN ERROR IN THE "UPDATE PERFORMANCE RATING" TASK?

The system gives an error because the **Goals and Behaviours sections are empty** (i.e. the Manager Evaluation has not been completed).

Update the ratings/comments in these sections in line with the final rating.

The screenshot shows the 'Errors' section of the EPR system. It lists two errors:
1. **Goals**: Correct the errors in section Goals to proceed. You do not need to correct alerts.
2. **Behaviours**: Correct the errors in section Behaviours to proceed. You do not need to correct alerts.
To the right of the error list is a vertical navigation menu with five items: 'Feedback', 'Goals', 'Behaviours', 'Supporting Documents', and 'Overall'. The 'Goals' and 'Behaviours' items are highlighted with red exclamation marks, indicating they contain errors.

It is recommended to explain, during the feedback meetings, the criteria and motivation behind the calibration that led to the final evaluation.

7. I BECAME A DIRECT MANAGER OF A PERSON IN 2026: WHAT SHOULD I DO?

Use the **Reassign** function to reassign the "Update Rating", "1:1 Employee/Manager" and "Provide Manager Comment" tasks to the correct Manager (Manager of Majority Time in 2025). Each task will need to be reassigned individually.
Click on the **gear icon and select "Reassign" to enter the correct person's name**.
Until the reassignment request is approved by the Talent Team, the task will remain assigned to you.

8. HOW CAN I FIND OUT WHO THE PERSON'S PREVIOUS MANAGER WAS?

You can check the previous Manager by accessing the person's profile, in the **Job > Manager History** section.

2025 EPR Final Review / 1:1 Feedback

Feedback translates the final evaluation into concrete actions and guides the development of the person

Feedback during EPR is a key moment of confrontation and clarity between Manager and Employee.

- **Provides clarity:** links performance, behaviour and results to the final rating
- **Builds trust:** transparency and consistency strengthen the Manager-Employee relationship
- **Drive growth:** help the person understand where to improve and how to improve future performance
- **Aligns expectations:** clarifies goals and priorities for 2026

Before the meeting

1. Think about the messages you want to share with the person and what you want to achieve
2. Be prepared with concrete examples to support feedback
3. Establish common sense rules to be made explicit to the person to respect, listen and share

During the meeting

1. Highlight what has worked well as positive outcomes and behaviours, with concrete examples.
2. Indicate what can be improved, identifying areas where the person can grow, linking them to observed behaviors and situations.
3. Suggest how to improve and leave room for discussion.

Closing the meeting

1. Summarize what was discussed during the meeting
2. Define the main areas of development together with the person
3. Agree on next steps and targets for 2026

2025 EPR Final Review / 1:1 Feedback - Golden Rules

- 01 **Provide feedback based on the final evaluation and the rating confirmed during Calibration:** communicating previous evaluations would result in a negative employee experience, so it should be avoided in any case.
- 02 **Be transparent and open to discussion:** maintain an objective approach and foster dialogue to promote effective and constructive communication.
- 03 **Avoid treating the evaluation as an absolute score:** do not interpret it as a rigid grade, but as an opportunity for reflection and growth, linked to specific contexts and behaviours.
- 04 **Focus on concrete examples:** Support feedback with clear and observable examples of demonstrated performance and behaviors.
- 05 **Provide suggestions for improvement:** use the outcome of the assessment to give indications on WHAT and HOW to improve, helping the person to achieve the expected results more effectively.
